Our

## Culture

We envision art & design as an expression of promoting ideas and feelings that change peoples' lives, as a means of discovery and soul elevation.

## Values

Our values are at the heart of everything we do. Committed to embrace all art lovers in our community, we pursue our dream - democratising Art as a whole.

## Mission

To connect all creatives and to be the #1 destination for buying and selling art, design and collectibles anywhere in the world.

## EDITIONS *by* Artlimes

### **High-Quality Limited Editions Prints, Certified by Artlimes**

There should be no barriers to enjoying beautiful art.

That is why we create limited edition prints of inspiring pieces, for everyone to enjoy.

Our Editions feature more than 500,000 limited edition prints of original pieces, allowing you to bring creativity into your home even with a limited budget.

Created using the highest quality inks on the finest art paper or canvas, every element, from the wood frame to the glass, has been carefully chosen to ensure your art can be enjoyed for decades to come.

All our prints are numbered and framed in the UK and come with a Certificate of Authenticity.

They are delivered ready to hang and transform your space.

Looking to fill multiple rooms or larger spaces?  
We help you curate your interiors with unique inspirations.

Our professional curators collaborate with hoteliers, architects and interior designers to create exciting and unique professional spaces. With our knowledge and deep network of contacts, we can advise, source unique pieces and work together to exceed your expectations.

## Interior Designers

Make your mark with something different. If you're looking for that perfect artwork to complete a project, or need inspiration for edgy new style, we will provide you with easy access to all sorts of art jewels to inspire and delight your demanding clientele.

## Architects

Your sweeping angles and carefully orchestrated construction can be perfectly balanced with original art. We collaborate in order to make a vague idea a concrete "must have ". Together, we select pieces to fit custom spaces, curating a style that complements your architectural creation.

## Hotels

A hotel stay should be about sensations and experiences. We come to your place to listen and evaluate your needs. We are here to transform hotels from just a place to stay to a place of living experiences. Luxurious or minimal, futuristic or conventional, we are here to fill your space with unique art and lifestyle and turn it into an art-bursting boutique accommodation.
